

# Tomonobu Fujii Launches “JBR” and Announces Entries to GT World Challenge Asia Japan Cup and the 24 Hours of Dubai.

Professional Racing Driver and Managing Director of D'station Racing, Tomonobu Fujii applies his extensive knowledge with team operations and coordinating race entries to launch JBR, a new racing team to support bronze-categorized gentlemen drivers to compete in Japan and internationally. His network expands globally from his career competing in the FIA World Endurance Championship, 24 Hours of Le Mans, Asian Le Mans Series, SUPER GT, and GT World Challenge Asia.

JBR is designed to support the passion of gentlemen drivers to enter the competitive world of motorsport and aim for the podium by preparing an all-inclusive package for their success on-track in Japan and abroad. This “Arrive & Drive” style package, not only includes the race car and technical staff, but also the spare parts and equipment needed for servicing, allowing its clients to fully focus and make the thrill of racing competitively, a reality.

# Entry to GT World Challenge Asia, Japan Cup 2024

JBR will enter the Japan Cup, a series established in 2022 to race in Japan by the SRO Motorsports Group, the very same people who organize GT World Challenge around the globe. A McLaren 570S GT4 has been prepared for a duo of gentlemen drivers to enter the GT4 AM Class from Round 2 at Fuji International Speedway. JBR is in the process of preparing a second car to manage a second entry in the series.

## Two Car Entry for the 24 Hours of Dubai 2025

JBR has prepared two Porsche 911 GT3 Cup (992) for entries to the 24 Hours of Dubai 2025 in January. Seats are available for five gentleman drivers per car for those who want to take on the challenge of competing on the international stage. JBR will provide a full support team needed to compete abroad, including a professional motorsport translator. Off-track, JBR will also coordinate luxurious accommodation, hospitality services, and a variety of activities that clients can enjoy with their family and friends.

※Livery Being Finalized

JBR was born to answer the needs and uncertainties of stepping into the world of motorsport.

We are here to support all gentlemen drivers to achieve their goals to go on track and their dreams of racing.
